

Infant Toolkit

Infant Toolkit provides a massive bank of online applications including:

- write – simple text editor;
- paint – including stamps and backgrounds;
- turtle – program your turtle with simple commands;
- chart – show information as bar charts, pie charts and line graphs;
- pictogram – using set images or your own;
- animate – easy and great fun;
- mix – put it all together and print it out!

Included in NorTLE are pupil tracking tools mapped to APP targets and objectives.

A calendar, bulletins, messaging system and a complete online file store are all part of this fantastic resource for schools..

As well as the sophisticated online teaching and learning environment NorTLE also has over £6500 of additional resources available online for pupils and staff.

**ONLINE LEARNING
AT ITS BEST**

NorTLE

NEW LOOK, NEW RESOURCES,
NEW TOOLS AND APPLICATIONS

Desk Top Publishing couldn't be easier with NorTLE's built in DTP tools - accessible from home and school.

I wish I could do that !

With DTP pupils can drag and drop text and images, create sophisticated documents and web pages, build online forms, collaborate together on documents and publish online for parents to see.

DTP

NorTLE's fantastic new online DeskTop Publisher

- Click anywhere to write
- Drag text around the screen
- stretch to any size

NorTLE (and DTP !) works on any machine, desktop PC, netbook, Windows, Mac or Linux.

ONLINE RESOURCES

NorTLE provides teachers and pupils with online access to a massive bank of quality teaching and learning resources including :

Shoofly

Full access to a fantastic bank of interactive stories all supported with additional teacher materials and Smart Notebook files.

ROAR

Interactive teaching materials for Citizenship, Bullying and e-safety.

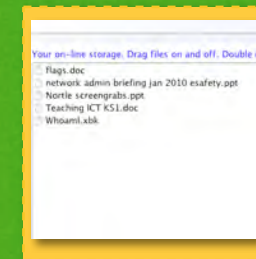

Northumberland ngfl content

All the great online materials created by the e-learning and ICT Support Team

Numeracy interactive resources

Hundreds of interactive whiteboard resources mapped to the Primary Numeracy frameworks.

ONLINE STORAGE

My Files

Online storage for all your documents and files. Once uploaded - double click to open, edit and then click save and your work is automatically saved back into NorTLE - no need to upload it back up !
